IN RE: Application of Heartline Communications,) ORDER GRANTING
Inc. for a Certification of Public) EXTENSION OF
Convenience and Necessity to Operate as a) TIME TO
Provider of Institutional) PRE-FILE
Telecommunications Services Within the) TESTIMONY
State of South Carolina.)

This matter is before the Public Service Commission of South Carolina (the Commission) on the request of the Applicant for an extension of time to pre-file its testimony from February 1, 1995 to February 3, 1995.

On October 6, 1994, this Commission issued Order No. 94-1052 establishing a pre-file date of February 1, 1995 for the Applicant in this matter. Faye A. Flowers, attorney for the Applicant, now requests an extension to Friday, February 3, 1995. Ms. Flowers notes that the hearing in the matter has been postponed from its originally scheduled date of March 1, 1995 to March 23, 1995. Therefore, she states that she does not believe that this short extension of time would prejudice any other party. Also, the Applicant has stated that it has no objections to other parties deadlines being extended by the same amount as Heartline Communications, Inc.'s.

At this time, however, the Commission believes that Heartline's deadline only should be extended by two (2) days.

IT IS THEREFORE ORDERED THAT:

1. Pre-filing deadline for Heartline is hereby extended from February 1, 1995 to February 3, 1995. As previously stated, Heartline shall serve copies on all parties in accordance with the rules.

2. This Order shall remain in full force and effect until further Order of the Commission

IT IS SO ORDERED.
